

Getting To And Parking @ Rockettown

The city has begun construction for the new Convention Center and has closed a huge area of streets and parking lots between 8th and 5th. This makes it a little more difficult to get to Rockettown, and so we have made this little map with the following directions.

Parking – Please park in the lot on Peabody between 5th Ave S and 6th Ave S. Parking is convenient and available for \$5.00 for the evening.

Rockettown Main Entrance – After parking, walk on Peabody past 6th Avenue South. Turn into the alley on your right which leads into the Rockettown parking lot where the Main Entrance is located. Please DO NOT try and park in the Rockettown lot. Those spaces will be filled by band members, etc. and you will find it difficult to turn around and exit.
